NSF's transition to SciENcv

What researchers need to know about the National Science Foundation's format for Biosketch and Current and Pending support sections of a proposal

ABOUT THE
CHANGE

NSF has partnered with the National Institutes of Health to use SciENcv: Science Experts Network Curriculum Vitae as an NSF-approved format for use in preparation of the Biosketch and Current and Pending support sections of an NSF proposal.

WHEN TO
CHANGE

The mandate to use SciENcv only for preparation of the biographical sketch and current and pending (other) support will go into effect for new proposals submitted or due on or after **October 23, 2023.**

ORCiD
Utilizing ORCiD is an efficient, convenient way to keep biosketches current. Virginia Tech is a premium member of ORCiD.
